 - Two separate tally counters.
 - Both counters count from 0 to 9999.
 - Calculates sum value between two counters.
 - Selects "-" symbol to subtract the values.
- Stopwatch
 - Measures up to 100 minutes in 1/100 second.
 - Shows cumulative or lap split time.
- ⏻: Power on/off button.
- Sleep mode activates after 2 hours of inactivity to save battery power.
- ((●)): Beep confirmation sound is on when the symbol shows.
- 🔒: Lock feature prevents accidental modification.

MODE CIRCULATION

- Remove battery insulation film first.
- Press B button to choose Dual Tally Counters or Stopwatch mode.

DUAL TALLY COUNTERS

HOW TO OPERATE

- Press B button to reach Dual Tally Counters mode.
- Press A button to turn subtraction mode on/off. ("-" appears/disappears)
 - Press C button to increase or decrease the count by 1 in the upper row.
 - Press D button to increase or decrease the count by 1 in the lower row.

- Note: When either counter reaches to 0:**
 - Both counters will enter count-up mode. ("." sign will disappear)
 - The device will alarm you with beep sounds.
- Hold A button 2 seconds to show SUM of the two counters. (Σ symbol appears)

TO RESET TO ZERO

- Hold B button 2 seconds and the STOP symbols on the upper and the lower rows will flash.
 - Follow step 1 to 3 while the symbols are still flashing:
 - Press C button to reset the counter on the upper row to 0.
 - Press D button to reset the counter on the lower row to 0.
 - Press B button again to return to the original display.
- * Note: The STOP symbol of the row will not flash if the counter in the row is already 0.

STOPWATCH

- Press B button to reach Stopwatch mode.
- Press C button to start/stop the counting.
- In STOP status, hold B button 2 seconds to reset the display to 0.
- Press A button to choose "C" - cumulative time or "L" lap time on the upper row.
- When the stopwatch is running, press D button repeatedly to show the split time.
 - The split time will show for 15 seconds with "C" or "L" flashing.
 - Meanwhile, the stopwatch will still be running in the background.
- Press A button to release the split time and resume the stopwatch.

⏻ POWER ON/OFF

- Hold D button 2 seconds to power OFF the display.
- The display will blank when no activity has been detected for 2 hours.
- Press any button to power ON the unit.

((●) 🔒

- Hold C button 2 seconds to turn the beep sounds on/off. ((●) symbol appears/disappears)
- Hold both C&D button 2 seconds to turn the lock feature on/off. (🔒 symbol appears/disappears)

Note: When the 🔒 symbol shows, every button will be locked. You will need to unlock the device before starting to use it again.

BATTERY REPLACEMENT

- Remove the battery cover on the back side of the body with a coin or similar tool, using the arrows as direction indicators.
- Remove and replace the battery with type LR44 or equivalent.
- Be sure that "+" side is up.
- Replace the battery cover and lock into place.
